The Club Camp Difference

At the Beech Mountain Club, camp isn't just for campers; it is for the whole family. We combine all the great outdoor fun associated with summer camp with all the privileges of belonging to a private club. Campers are introduced to pickleball, tennis, golf, swimming and fitness by club professionals and enjoy the use of state-of-the-art equipment and facilities.

In addition to our regularly scheduled camp activities, campers and their families are offered special "Family Time" sessions to practice new skills and "play" together in a "kid-friendly" environment. Just another way for you and your family to enjoy the Beech Mountain Club.

Camp enrollment is limited, so please call the Recreation Department for more information at (828)387-4208, ext. 5. "Families must RSVP" for family time sessions.

Let's Get Moving Mondays

On Mondays, campers will tour the Fitness Center, tryout some equipment and also have fun sampling some group fitness classes like Zumba and Yoga. Healthy living and exercise awareness tips will be shared by the Beech Mountain Club Fitness Staff. It's never too early to make fitness fun!

Tennis Tuesdays

On Tuesdays campers will hit the Tennis Courts and play with the Pros. Campers will be divided into groups based on their ages and abilities to learn how much fun it is to play Tennis. The only equipment needed is a good pair of sneakers for this fun "Taste of Tennis". On Tuesday Nights (June 26, July 10 and 24) from 4-5pm gather on the Tennis Deck for some Family Time on the courts. Families must RSVP.

Golf Wednesdays

Our SNAG (Starting New At Golf) program has been so successful that we are once again enhancing our older campers' experience by transitioning them to real golf clubs and balls using US Kids Golf clubs that are the correct weight and length for juniors. Then lunch at the Fairway Café for campers. Adults can play every evening after 4:30pm, except Thursdays, with their Junior Golfer; each only paying a cart fee. Families must RSVP.

Thursdays @ the Kid ZONE

On Thursday from 4-5pm, visit the Kid ZONE to check out all the puzzles, games, videos and CDs. Meet BMC Recreation staff and other families, hangout and play a while...cards, air hockey and pool. Families must RSVP.

Pickle Power Fridays

Fridays, campers will head down to the beautiful, new 5-court BMC Pickleball Center and will be introduced to one of the fastest growing sports in the country...Pickleball. USAPA Pickleball Ambassadors and Club Pros Bob and Elizabeth Higginbottom will teach campers the basics of the game and lead them through fun drills that will get them ready to enjoy the game with friends and family.

Pooling Around

Every year campers should refresh their swimming skills. Our daily pool play time will incorporate some stroke instruction and water safety reminders taught by our lifeguards.

After-Camp CLINICS and LESSONS

Golf, pickleball and tennis clinics along with swimming lessons are available for children after camp. Please contact the Tennis Pro Shop at (828)387-4208, ext. 4; Golf Pro Shop at (828) 387-2372 or the Pool at (828)387-4208, ext. 227 for more details.

Club Camp also includes golf, pickleball, tennis, swimming and fitness clinics designed to introduce campers to these exciting activities and club facilities.

Treasure Hunters

This week we will learn all about and how to hunt for treasures. We will visit a gem mine, pan for gold, create and participate in scavenger hunts, hide objects in the Club Butterfly Garden, build keepsake boxes and bury a time capsule full of treasured items for future campers to seek.

Give Me Some Space

July 2, 3, 5, and 6

Space...the final frontier...campers will explore the vast beauty and wonder of space. They will build rockets, make space suits, create and name a planet, design and build a Space Station and complete a mission. This week is capped off as we travel to the planetarium at Bay's Mountain, TN.

Best Of Beech

July 9-13

Learn about the best trails, fishing spots, scenic views, waterfalls and other treasures right here on our mountain. We will build bonfires, learn survival skills, canoe Lake Coffey, fly kites a Mile High, visit the town Museum and even take a private journey to the magical Land Of Oz. A trip to Grandfather Mountain will offer the "best" views of the high country and interesting animal habitats.

My Heroes

July 16-20

Visits to the police and fire departments to meet real live heroes highlight this week. We will build "hero sandwiches" and learn about some of the actions that make people heroes. Campers will share stories about their personal heroes. A game of laser tag at Bo's Entertainment Center and a community service project or two will bring out the heroes in all of our campers during this exciting week.

Water World

July 23-27

A whole week focused on water sports, games and splashing fun. Campers will participate in the BMC Pool Olympics and Slip and Slide their way to wet fun. Art projects will include watercolor painting, salt and sand works of art. Homemade ice cream will add to this wet and wild week. Our field trip this week will take us to the Wetlands Water Park in Bristol, TN for some cool summer fun.
